This session will be delivered by Bismha Afzal, Schools Coordinator at Educate Against Islamophobia (EAI). EAI is a UK-wide not-for-profit organisation tackling Islamophobia through educational means. To learn more about their work visit: <https://eai.org.uk/>

Join Educate Against Islamophobia for an interactive CPD session exploring the definition, causes, and prevalence of Islamophobia across the UK. A not to be missed opportunity casting a light upon startling statistics, manifestations of Islamophobia, as well as common Islamophobic narratives that permeate through our society. The session will conclude with an opportunity for practitioners to engage in a wider discussion around tackling Islamophobia within their respective settings.

By the end of this session, practitioners will:

- Be able to define Islamophobia
- Understand why Islamophobia is a form of racism
- Be able to trace the origins of Islamophobia
- Identify the ways in which Islamophobia manifests and operates
- Recognise the severity and impact of Islamophobia within Scotland and across the globe
- Be able to identify some of the causes of Islamophobia in the U.K
- Begin to challenge common Islamophobic narratives
- Recognise the connection between the PSED and Islamophobia
- Recognise the impact of Islamophobia on students and staff
- Identify ways in which the school community can reduce and tackle Islamophobia
